Grand Knight's Report

My brothers as another month ends, I must apologize for this news-letter being so late.

The month when by so fast. I want to start by telling everyone that there is no way I will ever ask anyone for money or cards in an email. This happened when I was first elected GK and now another one has been sent out. These are just scams and please do not believe that I sent this note.

This has been a busy month with the state convention and our Altar Servers dinner. The hall has been without electricity for some time now, but we see the light at the end of the tunnel.

Hope to see everyone at the meeting in June.

Love each every one of you,
Mary Mother of Jesus and Queen of the Knights pray for us.

Tom

Deacons Report

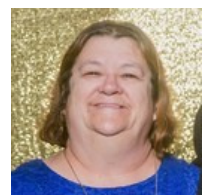

Brothers in Christ,

Scientists tell us that everything in our universe is interdependent on one another and is constantly changing. That includes us as well. As human beings we are dependent on one another. We could not survive without others. We are also constantly changing. We are not the same today as we were a year ago or even a few days ago.

However, one thing in our world never changes – God's unconditional love for us. No matter who we are or what we have done, God loves us. In the Gospel of John we are told "neither height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord." All God asks of us is that we return that love and recognize our dependence on Him.

God bless,
Deacon Stan Grenn

K'Cees Korner

To my fellow K'Cees,

Just an update for the month. We are having our May meeting on June 10th. I don't know if it is going to be at the Knights hall or at Shirley David hall at Christ the King Church due to power issues at the Knights hall. In addition we have not set a date for Bunko and we will let you know if we are going to have a Bunko night at the June 10th meeting.

Thanks and sorry for all the confusion.

Some quotes from Mother Teresa

1. "How can there be too many children? That is like saying there are too many flowers."
2. "I feel that the greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself."
3. "And if we can accept that a mother can kill her own child, how can we tell other people not to kill one another?"
4. "It is a poverty to decide that a child must die so that you may live as you wish."
